By public transport:

Unex Tower is located next to Stratford station and bus terminus. From within the station follow signs to Stratford Town Centre but rather than crossing the main road to head into Stratford Shopping Centre you need to walk round the bus terminus to Unex Tower.

Stratford station has the Central, Jubilee, Overground, Dockland Light Railway (DLR) and National Rail lines all running through it.

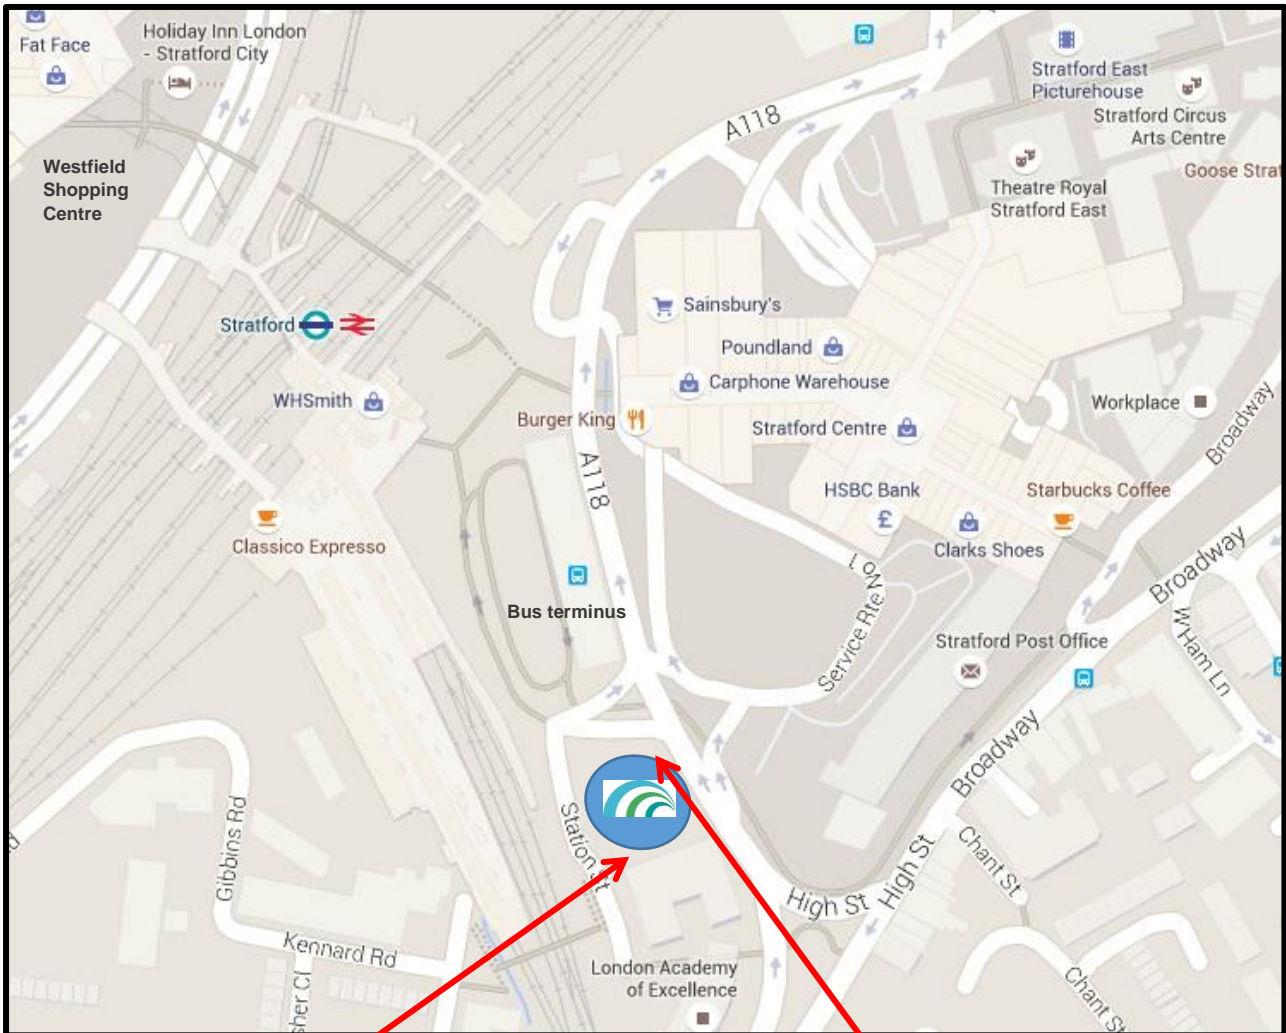

The following bus routes come to the terminus: 25, 86, 104, 108, 158, 238, 257, 262, 425, 473, 678, N86.

By car:

We have limited parking spaces available. If you require a parking space you will need to book this in advance with your meeting organiser. Alternatively, you will need to park in either Westfield or Stratford shopping centres that are both within a few minutes' walk.

If you do reserve a space via your meeting organiser, Station St is a left turn off Stratford's one way system (A118/High St) just prior to the bus terminus. You will go past Unex Tower on your left as you approach Station St. Once you have turned into Station St you will need to turn left again to take you to the car park entrance at the back of the building. The map on the next page will help.
